Will do, thank you. I'm sorry also, I should've done that first. Won't happen again.

They will respond today. In the future please ask for service request (SR) numbers. It is helpful for internal follow-up. Thx

Good morning Ms. Bell,

I hope you had a safe and blessed weekend. I am emailing you this morning to discuss some sewers that are not working around Watts. Specifically, around [10723 Mona Blvd](#). this resident has stated that they have reached out to the city before but nothing has been done. Can we please take a look at this? Thank you so much for your help.

Best,
